### **Human Life is Sacred**

Human Life is Sacred and begins at the moment of conception. Once it begins, life should be allowed to flourish and to continue until its natural end.

This is the view of the Catholic Church, of people of different faiths and by those who consider the protection of life as an issue of fundamental human rights.

The Eighth Amendment of the Constitution upholds the equal right of life of both the mother and her unborn baby; and its removal would mean that some lives will become less valuable than others.

### **Family Prayer**

We pray for our children wherever they may be, asking Jesus, Mary and Joseph to watch over and guard them throughout their lives and that the faith we have passed on to them may sustain them through all that life will put before them.

Amen
