A something in a summer's Day

A something in a summer's Day
As slow her flambeaux burn away
Which solemnizes me.

A something in a summer's noon –
A depth – an Azure – a perfume –
Transcending ecstasy.

And still within a summer's night
A something so transporting bright
I clap my hands to see –

Then veil my too inspecting face
Lets such a subtle – shimmering grace
Flutter too far for me –

Still rears the East her amber Flag –
Guides still the sun along the Crag
His Caravan of Red –

So looking on – the night – the morn
Conclude the wonder gay –
And I meet, coming thro' the dews
Another summer's Day
