## For Belonging

May you listen to your longing to be free.

May the frames of your belonging be generous  
enough for your dreams.

May you arise each day with a voice of blessing  
whispering in your heart.

May you find a harmony between your soul  
and your life.

May the sanctuary of your soul never become  
haunted.

May you know the eternal longing that lives  
at the heart of time.

May there be kindness in your gaze when you  
look within.

May you never place walls between the light  
and yourself.

May you allow the wild beauty of the invisible  
world to gather you, mind you and embrace  
you in belonging.

John O'Donohue
