A warm welcome back to public Masses! As we return and adapt to a new normal, I plead for your patience and assistance in making our return to public celebrations as safe as possible for all. The capacity in each church is greatly reduced because of the ongoing need for social distancing. I encourage older people and those who may have health concerns to remain at home and to continue to join us on the parish webcam. People attending Mass are encouraged to wear masks and only take a seat as indicated by the card of welcome in each seat. I am grateful to the Parish Pastoral Council and to all who have volunteered to help in these challenging times.
